

The 2017 NJWA Summer Workshop

Lincoln School, Garwood

ART • MUSIC • LANGUAGE ARTS
ROBOTICS • ENGINEERING • SCIENCE

Come explore, discover and create this summer!

The NJWA Summer Workshop Experience

Our Philosophy~

We are dedicated to providing an enjoyable and challenging environment, allowing our students to learn and create in a unique and personal manner. All aspects of our curriculum are taught with the purpose of promoting an authentic, student-centered process that is designed to optimize each student's individuality, creativity and learning potential regardless of his/her age or existing ability.

About Us~

We are a creative three week workshop and a branch of the *New Jersey Workshop for the Arts*, located in downtown *Westfield, NJ*. We offer courses in art, music, science, robotics and language arts. Our teaching staff is comprised of dynamic, professional educators committed to guiding each student throughout the learning process and laying the important groundwork of skills and confidence for future endeavors.

What Parents Are Saying~

"This camp is a genuine highlight of our daughter's summer. It sparks her creativity and inspires her intellectually!" **Kate and Brad, Cranford, NJ**

"Our 10, 8 and 4 year olds all had their own unique experiences from art, violin and dance, to robotics, rocketry and catapults....the teachers were engaging, friendly and fun..the kids practically dragged us out of the house in the morning!" **Jared and My Linh, Garwood, NJ**

"Our children have benefited immensely from the diverse programs offered...the teaching staff was wonderful and their knowledge and enthusiasm was infectious...an all-around great program!" **Stacey and Tom, Westfield, NJ**
